“It’s no secret that FIFA is a genuine labour of love for each one of us here at Electronic Arts, but we believe that this marks the moment where we needed to commit to a new level of innovation when it comes to the gameplay,” added Kibard. “We’ve been at the forefront of developing and innovating game physics with our Frostbite game technology for many years, and now, alongside the much-acclaimed Frostbite engine, we’re bringing our world-leading HyperMotion™ Technology to FIFA to deliver the best ball-based action we’ve ever achieved.” “HyperMotion” will make its official FIFA debut in FUT 18, a title to be released in Autumn 2017. FIFA 20 arrives on Xbox One and PlayStation 4 on September 27th and on PC a week earlier. Get your pre-order in here PS4 and Xbox One players can now pre-order FIFA 20: Standard Edition at participating retailers (US only).

Swimming at the 2004 Summer Paralympics - Women's 100 metre butterfly S4
The Women's 100m Butterfly S4 swimming event at the 2004 Summer Paralympics was competed on 20 September. It was won by Katarina Višnjić, representing. 1st round Heat 1 20 Sept. 2004, morning session Heat 2 20 Sept. 2004, morning session Final round 20 Sept. 2004, evening session References W Category:2004 in women's swimmingThursday, July 21, 2009 'An interesting morning, isn't it?' A bit of a change to my normal pattern - but I have spent a good few minutes reading the post on my blog about Peter and the words of an old friend came to me... For many years I have had the most fantastic artist friend who lived in Newcastle for many years. She used to have a shop which sold her beautiful illustrations which I used to collect for my family and friends, but she eventually closed and moved further north and very rarely does she visit the city. She moved to the Lakeside area and recently moved back to the area where she grew up in Northumberland. Most of my day is taken up with working for myself and being a mum, so you can imagine the time is very precious - so I took her to lunch today.

The best football video game on the market! It's the game that delivers all the excitement and skill of real-world football, but with the accessibility of a video game. Get the ball out and get into the action with FIFA's brand new Shot Control, Ultimate Team, Free Kick Pro, Championships, and more! In FIFA 22, EA SPORTS has crafted a deeper, more immersive, and more authentic experience that captures the authentic atmosphere of the beautiful game like never before. The sheer spectacle of play alone, minus commentary, is worth the price of admission. From the very first whistle, you'll be immersed into the real feeling of football, with real-world physics, licensed teams, and authentic, vivid stadiums. You can control the entire pitch, in real-time and offline, and over 100 authentic leagues and competitions are available to enjoy. The FIFA experience continues to be the new standard for football games today. FIFA Ultimate Team: Build your dream team with over 150 licensed teams available from the world's top leagues and clubs. We've also included over 25 legendary players from over 20 of these clubs and leagues. You can make the greatest-ever team with your friends, and play in leagues around the world to claim bragging rights. In FIFA Ultimate Team, you control the entire team with an in-game manager. You'll have to make every decision in order to achieve your dream team. Shot Control: Call upon new Shot Control to take the game to a whole new level. Shot Control allows you to decide where each individual player will shoot the ball. Whether you want to kick a cross to the wing or direct a shot from a wide position, Shot Control allows you to practice passing, shooting and setting up your teammates in the run of play. For the first time in FIFA, Shot Control is adjustable on the fly. You can adjust the Speed, Speed Modifier, and Angle, for even more control. Just aim, tap, release, and the ball takes off. Then drag the "Drag and Pull" button to play your pass or use the Meter to shoot. Ultimate Team: Your very own virtual team will build a squad with real-world clubs and players. You can create up to 32 different Ultimate Team lineups and even manage the squad by yourself. You'll also be able to interact directly with your player cards. Plus, you'll have plenty of
